In order to participate in the Share Sale Program the stock must be traded on the open market. Shares of private companies are not eligible to be sold through the plan. Once a shareholder has established an online account with CST, a sale of book entry or DRS shares can be requested by clicking on the "Sell Shares" option under Action Items.

To establish an online account please contact CST at 800.509.5586, prompt 7, Monday-Friday 8:00am to 6:00pm eastern time or via email at cstmail@continentalstock.com.

Note: Physical Certificates must be mailed to CST in order to request a sale. Sale Procedures

Sale requests will be processed as Batch Orders. CST will combine each sale request with others for the same security and process as one sale. Sales are normally processed within 5 business days of receipt. Batch orders can be traded over multiple days depending on the number of shares sold and the average volume of shares traded by the security. The price per share sold will be the weighted average price for all shares sold in a batch. A check for the proceeds will be issued to the registration and address of record usually one business day after settlement date of the sale. The proceeds check amount will be net of applicable sale fees and backup withholding tax, if applicable.

Timing and Control

Shares are sold for the Plan on specified dates or during specified periods. As a result, you do not have any control over the price at which shares are sold for your account, and you may receive a lower sales price than if you had sold the shares outside of the Plan. You bear the risk of fluctuations in the price of the shares being sold.

Sale Fees

- \$25.00 Transaction Fee
- \$0.12 Broker Commission per share
